Crash Narrative:

On Sunday January 6, 2019 at approximately 1747hrs, I responded to the intersection of Pleasant Street and Centre Street for a report of a city motor vehicle crash. Upon arrival I located all vehicles pulled off on Pleasant Street about 50 feet from the Centre Street intersection.

The City vehicle involved was Newton Police Cruiser N 496 ("MV #2") and it was driven by Officer S. Siegal. Siegal reported that he was directly behind MV #1 and observed the vehicle make a left turn onto Pleasant Street which was against the one way sign. Officer Siegal reports upon seeing this illegal turn he immediately turned his emergency lights and was trying to make a motor vehicle stop. The vehicle immediately stopped and while trying to back up and turn around, the vehicle backed into his cruiser. Officer Siegal reported that the vehicle was backing at just a few miles per hour.

Crash Narrative:

MV #1 was MA Reg. 3ZN523 a 2004 Nissan Sentra. This vehicle was operated by Huihui Tang. Tang reported that she was trying to go to CVS at that intersection when she turned onto Pleasant Street. Tang reported when the emergency lights were activated she tried to turn around and made minor contact with the police cruiser. During our conversation there was a bit of a language barrier and Tang appeared confused on why we needed to do a report.

There was no injuries or any damage to any vehicle. Centre Street and Pleasant Street are Public ways in the City of Newton. Officer Siegal issued Tang MA Uniform Citation T0646880 for violating 19/85 for operating the wrong way. This citation was mailed to Tang. The initial citation issued on scene was later voided due to an address error. Officer Siegal also took pictures of both vehicles. Tang was advised on the
