in the rear. Operator of MV1 stated he was stopped at the red light at the intersection of Jackson Rd. Operator of MV2(AMB1406) stated he was traveling EB on Washington St when he struck the rear of MV1. Operator of MV2 stated he observed a vehicle coming down from Lewis Terrace and was concerned they were not gonna stop at the intersection. This distraction caused MV2 to strike MV1 at a slow rate of speed. Both vehicles sustained minor damage and did not require a tow. The passenger and driver of MV1 were observed by the medics. The passenger was transported in the ambulance for undisclosed minor injury. The driver refused to sign the medical release.

5 Photos were taken of both vehicles showing the damage. I put the memory card in an envelope and left it
