## Crash Narrative:

Operator #1 stated she was going e/b on Otis St when vehicle #2 struck her vehicle in the intersection of Lowell Ave. The impact sent her vehicle crashing into the traffic signal light on the southeast corner of the intersection, knocking it down. She reports her light was green as she entered the intersection.

Operator #2 stated he was heading s/b on Lowell Ave and was passing thru the intersection of Otis ST when he crashed into vehicle #1 in the intersection. He stated he thought his light was green.

A witness who was behind vehicle #2 approached me and reported that vehicle #2 ran the light on Lowell Ave.

Operator #2 was cited for C90-S9 failing to stop for a red light.

Operator #1 was also cited after she informed me she didn't ever have a drivers license, only a Brazilian passport.
