Crash Narrative:

On 11/30/2019, while assigned to N494, I, Officer Conary, and other units, responded to Charlesbank Road at Nonantum Road for a single motor vehicle crash into a tree. Upon arrival, I observed a white mini van MA registration 5DV184 with heavy front end damage into a tree on Charlesbank Road, a public way in Newton.

The operator of the motor vehicle, CORDERO, Ericka, was sitting in the back seat of the vehicle and was talking on the phone. CORDERO's primary language was Spanish. I asked CORDERO if she was okay and she said yes and I asked CORDERO if she was driving the car and she said yes. CORDERO also told me that she did not have a license. MA State Police were on scene and were able to asist with translating. Medics arrived and CORDERO was transported to Saint Elizabeth's Hospital. CORDERO's son and husband arrived on scene and I was able to confirm her information. Both stated that CORDERO did not have an active license.
