Crash Narrative:

(Continued on next page)

On Monday January 13th 2020 at 1830, CHAN, Alyssa came into the front desk to report a past MVA vs pedestrian. At 1300, she was walking on Herrick Rd when she crossed by an entrance to a driveway by 17 Herrick Rd, when a vehicle pulled out and struck her. She states she was hit on her left side of her body and used her hand to brace herself against the car. The operator of MV1 asked her if she was ok, which she said she was, and then drove off. CHAN was later evaluated by her primary care physician, which advised her to monitor her wrist for any development of injury in the coming days. I spoke to the owner of MV1, who stated his son was driving the car today. Operator of MV1 stated he was pulling out of a driveway next to 17 Herrick Rd and looked both ways before pulling out, but did not see the pedestrian walking in front of his car. He states he got out and asked if she was ok, and she continued to walk away without talking. I did not observe
