Crash Narrative:

On 01/28/2020, at 1634 hours, I responded to the intersection of Centre St and Washington St, just before the exit 17 on ramp to the Mass Pike (WB), for a two car MVA. Upon arrival, I observed MV1 to be facing westbound on Washington St in front of MV2. MV1 had minor damage to the rear passenger side. MV2 was stopped on Centre St facing southbound towards the Mass Pike entrance with damage to the front end. Through an interpreter, the operator of MV1 stated he was in the lane to the left of MV2 and traveling straight onto the Mass Pike when he somehow collided with MV2. The operator of MV2 stated he was in the lane to the right of MV1 attempting to travel straight onto the Mass Pike when MV1 turned right onto Washington St in front of him causing the accident. No injuries were reported.
