Crash Narrative:

Witnesses

MV #1 was traveling EASTBOUND on Webster St (a public way as it is maintained by the City of Newton)
when it collided with a curb then a stone wall (private property belonging to 239 Webster St). MV#1

operator, Jordan Feinberg was found in front of 174 Webster St sitting on the sidewalk. He had a laceration
on his arm and a lump forming on his forehead. Feinberg said that he drank half a bottle of wine tonight and
hit a curb down the road (Webster St).

Feinberg was sweating profusely, unsteady on his feet and had a very strong odor of an alcoholic beverage on his person. He said he was the only person in the vehicle. Officers went to go observe the vehicle and it had major front end damage and had collided with a stone wall belonging to 239 Webster St. When asked if he hit a stone wall, Feinberg said "no, I just hit a curb". He had no memory of hitting a stone wall.
