Crash Narrative:

Based on observations, and statements made, the following occurred.

M/V#1 was the second car in line, in the westbound lane of Elliot St. The operator stopped behind a white M/V that had stopped for a red traffic light. When the light turned green, M/V#1 followed the white M/V into the intersection of Elliot St. and Chestnut St. when it was impacted by M/V#2 (which was traveling north on Chestnut St.). Based on witness accounts, M/V#2 was traveling west on Chestnut St. at a high rate of speed, and ran the red light.

The impact forced M/V#1 into a traffic light pole on the south west corner of Chestnut and Elliot St.

knocking it down.

Operator #1 was treated on scene by medics, Operator #2 was transported to NWH.
