## Crash Narrative:

Operator of vehicle one Waste Management employee David Echeverria stated on 06/01/2020 at 12:11 hours he was driving MA com reg V36945 a 2009 Expedi trash truck south bound on Johnson Pl to pick up trash barbells. John Pl is a dead end public way in the city of Newton. Waste Management is contracted by the city of Newton to collect trash. Echeverria stated that since John Pl is a dead end it is common practice to back the truck in because making a three point turn at the end of the street would not be feasible. Echeverria stated that MA reg 3SH854 a 2012 Nissan was parked unoccupied facing north bound near 12 Johnson Pl. it should be noted that parking is only permitted on Johnson Pl by city of Newton issued permit only. Echeverria stated that while he backed his truck up the front passenger side bumper made contact with the Nissan's front driver's side quarter panel, front driver's side mirror and front driver's side tire.
