Crash Narrative:

On 6/29/2020 at approx 0755Hrs while assigned to 497 I responded to the area of 18 Annawan Rd for a report of a hit and run. Upon arrival I met with resident of 18 Annawan Rd, Andrea Epstein, and her boyfriend Isaiah Mohammed. Epstein stated her fathers vehicle, MA Reg 315SA6 was parked on the street in front of the home. Isaiah stated he was looking out the window when he witnessed a large black flatbed delivery vehicle backing up attempting to make the turn from Annawan to Waban Av when it struck the Epsteins vehicle, Isaiah stated he made eye contact with the white male driver who realized he had struck the car than accelerated away turning left onto Waban Av. They attempted to get a plate and found possible partial plate of 29866 and saw "Eastern...." imprinted on the side. Isaiah and Andrea related a neighbor whose name they didn't know followed the truck when it fled and got a picture of the license plate and they were awaiting

the photo being forwarded to them, they were also going to forward photos from the Ring doorbell that captured the truck. I checked the area for construction sites with recent drop offs. I contacted Andrea who stated she had spoken with her neighbor at 70 Edgfield Rd, Patrick Nuzzi who stated he had just had a delivery of fencing delivered by Eastern Fence of Medford NY and upon seeing the photo from her Ring doorbell confirmed it was the same truck due to the empty spot on the flatbed where his fencing had been . I spoke with Patrick Nuzzi who stated he would get in touch with his contractor Amazing Gardens to get the truck drivers info and registration info. I was contacted via phone by an employee of Eastern Fencing LLC from 631-698-0975 Bob Eggerman , who stated he would review the dash cam footage and forward the operator and registration info. 6/30/2020 driver and reg info forwarded by Eggerman, report updated.
