Crash Narrative:

Motor vehicle 1 (MV1) was parked facing northbound in the parking lot of 98 Winchester Street (Tedeschis), when an unknown motor vehicle 2 (MV2) crashed into the rear passengers side of MV1, and then left the area. It is unknown if MV2 backed into MV1 or hit MV1 head on. As a result of the crash, MV 1 sustained moderate passengers side rear end damage.

An unknown witness told the owner of MV1 that the vehicle involved was a dark colored VW sedan with a MA registration of 826PHL, however, this registration number does not come back to a VW. The Tedeschis does have cameras facing the parking lot, however, the employee working at the time of the crash did not have access to them and advised that the manager would be able access the footage tomorrow.

Crash Narrative:

On Monday, May 3, 2021, I investigated a Hit and Run crash that occurred at 98 Winchester Street, Newton on May 2, 2021 (Crash#2100000303). I responded to Tedeschi's located at 98 Winchester Street, Newton in an attempt to recover surveillance footage of the crash. I spoke with the owner who allowed me access to review footage from the date and time of the crash. At approximately 1223 hours a black/dark blue Volkswagon sedan is observed entering the Tedeschi's parking lot from Dedham Street (N). The vehicle is observed taking a wide left turn around another vehicle that enters the parking lot from the Winchester Street entrance (E). The front passenger side bumper/fender area of the Volkswagon crashes into the rear passengers side of MV1 (NY: HXZ4415). The Volkswagon is then observed leaving the parking lot (W) out of the Winchester Street side of the lot. The Volkswagon then leaves view of the camera. The

Crash Narrative:

Volkswagon's back rear window has white lettering on the bottom.

I searched CopLink for registration matches from the Newton area that contain characteristic from the reported registration provided by a witness. MA: 826PH4 comes back to a blue Volkswagen Passat registered to Ms. Joanne Medoff (S95046822) with an address out of 115 Upland Avenue, Newton. This address is 0.1 miles away from where the crash took place.

I arrived at 115 Upland Avenue and observed a dark colored Volkswagen Passat (MA: 826PH4) parked in the driveway. This vehicle had moderate recent damage to it's front passenger side bumper/fender area that would be consistent with the crash from Tedeschi's. This vehicle also had the same white lettering present on the bottom of the rear window as the vehicle in the surveillance footage.

Crash Narrative:

I rang the doorbell to this address and spoke with Mr. Colby Medoff (S13831145). Mr. Medoff stated the vehicle in the driveway is his but it is registered to his mother. Ms. Medoff came to the door and I explained the circumstances for me speaking with them. After speaking to Mr. Medoff, he admitted to being the operator of the Volkswagon when it crashed into the rear passenger side of MV1. I asked Mr. Medoff why he did not stop and provide his information to the owner of the other vehicle. Mr. Medoff stated he was scared.

Mr. Medoff was provided with Massachusetts Uniform Citation 990226AA in hand for Chapter 90, Section 24 (Leaving the Scene of Property Damage). Mr. Medoff was advised.

Photos of the Volkswagon and media from the Tedeschi's surveillance footage were submitted to the IT Bureau.

Crash Narrative:

Mr. Medoff's information was added to this report to reflect him being the operator of MV2. I contacted the party in possession of MV1, Mr. Jason Medley, and advised him.

The parking lot of Tedeschi's is private property but the public does have a right of access to the property.
