Crash Narrative:

On Thursday 6/24/21 I responded to a two car motor vehicle accident at the intersection of Lowell Ave and Washington st. Upon my arrival I spoke with the operator of MV 1 (RI REG CONCPT) who stated he was headed westbound on Washington and trying to turn southbound on Lowell Ave. He said his view was obstructed by an eversource detail that was working just before the intersection on Washington st. When he was making the turn he was struck by MV 2 (MA REG 2LBM55) which had been traveling eastbound on Washington st. MV 1 had damage on the right side back passenger door.

I spoke to the operator of MV 2 who stated she was traveling eastbound on Washington St when MV 1 cut in front of her even though she had the right of way. MV 2 had damage to the front end and airbag deployment. The driver of MV 1 had no injuries and MV 1 was driven away from the scene. The operator of MV 2 was
