## Crash Narrative:

(Continued on next page)

On 07/27/2021, while assigned to N494, I, Officer Conary, was responding to a non emergency when I observed a motor vehicle pulled off to the side of the road and also a cyclist. I stopped and was told by both parties that there was a minor accident but everyone was fine. I spoke with Operator of MV1 who explained to me that he was traveling Southbound on Centre Street when he heard a thump and then realize his car collided with a cyclist. I spoke with the cyclist who stated that he was traveling Northbound on Centre Street, against traffic, driving on the right side of the bike lane, when his handle bars collided with MV1 side mirror. The bike had a flashing front light. Cyclists stated that he observed MV1 driving closer to the right side of the lane. I asked both partied if they crossed over the line and both stated no. Due to the cyclists age, his parents arrived on scene. Cyclists had minor scratches on his legs and arms. Medics arrived and the cyclists
