Crash Narrative:

Operator of MV1 was driving northbound on Centre Street and was turning left onto Walnut Street. As he began to turn, he lost control of the vehicle and the front tires locked up and the rear tires began to spin out. He stated this was a rental vehicle that he picked up a few hours prior to the accident, and since it was picked up, it had the ABS and all wheel drive warning lights on. He stated several other dashboard warning lights came on as he was turning onto Walnut Street. Once he grained control of the vehicle, he struck several guardrail poles in front of 1200 Walnut Street, and crossed into the parking lot of 1194 Walnut Street. As the car slid into the parking lot, it took down three parking signs for Newton Highlands Wine and Spirits. The operator of MV1 and his two passengers were evaluated by Fallon Medic 4. All three signed a patient refusal. The vehicle sustained heavy damage with all front and side air bags deployed. David
