Crash Narrative:

Centre Street and Church Street are public ways in the City of Newton.

The OP. of MV#1 states he was travelling southbound on Centre Street, proceeding through a green light when a vehicle suddenly came out of a side street and collided with him. That vehicle struck the curb and continued down Centre Street without stopping.

The OP. of MV#2 states he isn't from around here and was trying to get home to Worcester. He was driving down an unknown roadway when a vehicle suddenly came into his lane and collided with him. There weren't any shoulders on the roadway so he couldn't pull over right away and kept driving until he found a safe area.

Witness#1 (Mr. TING) stated he was driving behind MV#1 and they had the green light on Centre Street.

MV#2 came out of Church Street and collided into MV#1, then crashed into the curb and continued driving down
