On 09/10/2021 at 1600 hrs I responded to the area of Washington St@Belmore PK for an MVA. I arrived on location and observed V1 NY Reg SX77; 2019 Volvo/LL color blue. V1 Operator NY OLN 968528076. V2 MA Reg 389ME3; 2015 Niss/Altima color black. Both operators were out of the vehicles upon my arrival. V2 was having chest, back and neck pain. V2 operator was evaluated by EMS on scene. V2 Operator was transported by ambulance to Newton Wellesley Hospital for further evaluation. V1 operator was uninjured and sign an evaluation waiver with EMS on scene.

On scene I spoke with V1 operator who stated he was coming off the (5N off ramp attempting to turn left onto Washington St. (westbound). Both directions of Washington are multi lane. V1 operator described traffic as heavy. V1 operator stated he saw a gap in traffic and proceeded to cross over the eastbound lanes (Continued on next page)
