On Friday 11/19/2021 at approx 1155hrs, while assigned to N-498, I responded to the intersection of Wells

Ave and Nahanton St for a 2 MV accident. Upon arrival, both vehicles involved were pulled over in the right
turn lane facing EB on Nahanton St just before the traffic lights. I observed minor damage to the rear
driver side of MV1 and front passenger side damage to MV2's bumper. It should be noted that MV2's front
bumper appeared to have been pulled forward.

Operator of MV1 states that MV2 was behind him prior to the accident. He said that his vehicle was struck by MV2 as he was merging into the right turn lane. MV1 said that he observed the operator of MV2 touching MV2's front bumper prior to my arrival.

Operator of MV2 states that he was in the left lane and in front of MV1 prior to the accident. He said that  $\overline{\phantom{a}}$
